Today's Message

Desperate Households **(Week 3 of 7)**
You First
Ephesians 5:21-33

93% of people say that a stable lifelong marriage was very important to them.
- Marriage still works - but it only works God's way!

A woman's sin nature is a prideful independence.
- God disables that sin nature by placing an extra layer of authority over the woman.

A man's sin nature is a passive insensitivity.
- God disables that sin nature by placing an extra layer of responsibility over the man.

The best way to change your spouse is to change yourself.
